Political Science & Citizenship of Your Country

- What type of government will run your country? (example: democracy, federal, dictatorship, communist, monarchy)
Great resource for definition of types of governments:
http://news.bbc.co.uk/cbbcnews/hi/find_out/guides/world/united_nations/types_of_government/newsid_2151000/2151921.stm
- Who will create the laws in your country?
- How will information travel in your country? (example: word of mouth, newspaper, television, Internet, etc.)
- Describe the educational system in your country. (example: will there be elementary, middle and secondary school? Who will attend school? What will a typical school day look like?)
- Create a flag for your country. Explain the symbols and colours that you used and why they are relevant to your country.
